

Mahesh Public School, Jodhpur

Class- III Subject- EVS Worksheet-3

Made By- Ranjana Gupta

Points to remember

- tailor-stitches clothes
- carpenter-makes things with wood
- cobbler-repairs shoes
- plumber- fixes and repairs taps and pipes
- electrician-fits and repairs lights, fans, and other electrical things
- baker-bakes cakes, biscuits, breads and other bakery items
- greengrocer-sells vegetables

People who provide services to us are called community helpers. They are paid for the Community Helpers services. Tailor, carpenter, cobbler, plumber, electrician, baker and greengrocer are all community helpers. Some other community helpers are given below.

- policeman—maintains law and order.
- postman-delivers letters and parcels.
- doctor and nurse-treat people who are ill or injured.
- teacher-gives knowledge and good values to children.
- firefighters-put out fire.

Social Workers-There are some people who serve the community for free. They work selflessly for the good of the society. Some social workers form organizations called non-governmental organizations or NGOS. These work to make the lives of the poor and needy better.

- The different kinds of work people do to earn money is called occupation.
- People have different occupations like tailor, cobbler, carpenter, electrician, etc.
- Milkman, maid and sweeper are some people who help us with our daily chores.
- The services of community helpers like doctors and teachers are useful to us.
- In a family all members contribute in different ways to make their home a happy place.
- Some children who belong to very poor families are forced to work to fulfill the family needs.

Exercise Time
